WESTFIELD WEEKLY NEWS

Term: 2 Issue: 6

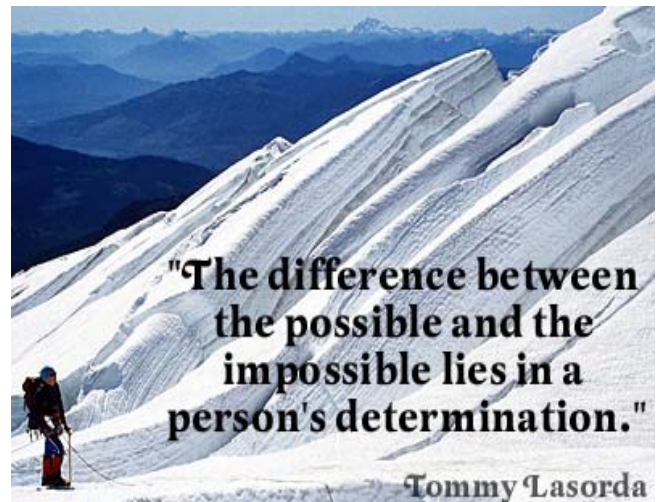

Revised version 9th February 2018

SIGN OF THE WEEK February

Make letter shapes 'F', 'B'

Our value this half term is: Determination

Tudor entertainment

Helen and Annie, our resident music teachers, came to Robin class with some instruments from the Tudor era. They played some tunes and the students also had a chance to explore the instruments for themselves.

A Day in the Past—History Day

Bea is organising an end of term theme day for Tuesday 27th March. It would be really good if students and staff could come to school dressed as a character from the past, any century or decade. More details will be issued nearer the date, but this will give plenty of time to sort out costumes.

Home/School Diaries

Oh dear, teachers are feeling rather sad and neglected. *Please* don't forget to look in the home/school diary just in case there is anything you need to know, we like to share good news too. Also, don't forget you can inform school of anything you need us to know through the diary. Thank you.

Attendance News

Our school attendance target is 95%.

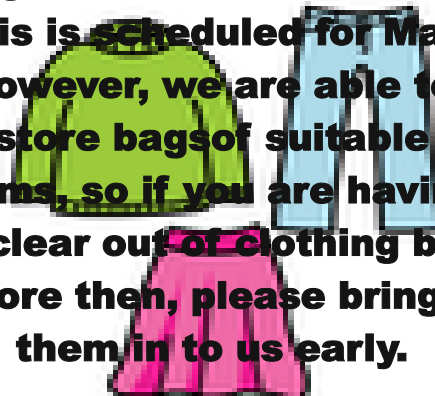

Highest attendance this week is Fox Class with 100%
