## Norovirus alert

As you will have seen from the low attendance figures over the last few weeks, It's that time of year again when norovirus runs rampant.

If your child has sickness and diarrhoea, please keep them off school for 48 hours after the last bout to ensure they are no longer contagious.

We have many vulnerable students in school for whom this may have serious health implications. Thank you for your consideration.

## Reminders

The immunisation Team will be coming into school on the 23rd November to administer the nasal flu vaccine for children in Years 1 & 2. Please return your consent form if you haven't already.

The last day to order cards from The Christmas Card Project is Wednesday 18th November so please return your forms and payment to the Kate in the office as soon as possible.

Now the weather is becoming colder and wetter, please ensure your child brings in a warm waterproof coat and appropriate footwear.

Please ensure that all your child's belongings are clearly marked with their name (bags, coats, uniform etc).

Please remember to keep the office informed of any changes of phone number, address, email details or pertinent information about your child (such as medication or professionals involved) so that we can keep our records up-to-date .

### School website

Don't forget to look on the school website for more information about school events, community news, class information and much, much more.
