School attendance

Recently, school attendance figures have dropped which is rather concerning.

As part of a new initiative to raise school attendance in line with our school target of 95%, we will be piloting a Weekly Best Class Attendance Award.

Every week, the class with the highest attendance will be awarded a certificate of recognition so please support us to ensure that your child receives the best access to Education as possible through daily school attendance.

School success starts
with attendance

Thank you for your continued support.
