Season's Greetings from The Courtyard !

Following on from the success of last year's relaxed pantomime performance, The Courtyard will be putting on another special performance of this year's Beauty and the Beast. A relaxed performance is specifically adapted to welcome audience members with learning disabilities, Down's syndrome, Autism Spectrum Condition, dementia or sensory and communication needs.

We invite you to share this event with those who you think might benefit from such a fantastic performance. If you have any questions regarding this show, please do not hesitate to make contact with The Courtyard.
