

6th Form student travel training challenge.

Students in 6th form learning to travel train independently need to remember quite a few things.

- Money – if catching public transport
- Bus pass
- Phone – charged and with credit
- Coat

James the independent travel trainer meets with students at different times of the day or week. He supports students in whatever way they need with the correct amount of support. Some students walk home from school and others learn to catch buses and trains.

Once students have arrived in school they should let their parents know via text message. Once students have arrived home they should call school and speak to a member of staff or leave a message on the answer phone.

There has been a lot of success stories in the 6th form during the past few years and students have travelled to and from school independently, or have gone on to access college independently. Well done to all those students. At the moment Charley is travelling to and from home each day this week catching four buses a day and keeping in touch with all concerned. She hopes to be signed off by James this Friday. Well done Charley.
