1. Introduction

The Governing Body is committed to making every reasonable effort to ensure the school building and grounds (premises) are available for community use.

1.1. Definition of a Hiring

A hiring may be defined as 'any use of the school premises by either a community group or a commercial organisation', regardless of whether a hiring fee is charged. It must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

1.2 Charges for a Hiring

The governing body is responsible for setting the charges for the hiring of the school premises.

2. Applying to use the school

- Application to use the school premises should be made to the School Business Manager and the Application Form should be filled in at least 21 days before the event.
- The School Business Manager will resolve any conflicting requests for the use of the premises, with school functions always receiving priority.
- The Business Manager is responsible for the management of lettings, in accordance with the school's policy, the Headteacher, having delegated this responsibility whilst retaining overall responsibility.
- If the headteacher has any concern about the appropriateness of a particular request for a letting, he/she will consult with the Chairman of the Resources Committee who has the authority to determine the issue on behalf of the governing body.
- The governing body has the right to refuse an application and no letting should be regarded as 'booked' until approval has been given in writing.
- No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been confirmed in writing.

3. Hire Agreement

Once a hiring has been approved, a letter will be sent to the hirer, confirming the details of the letting, along with a copy of the terms and conditions and the hire agreement. The hire agreement needs signing and returning to the school before the hiring can take place. It should be signed by a named individual and the agreement should be in their name, giving their permanent private address.

The hire agreement (with the terms and conditions of hire of the school premises attached thereto) will be signed in duplicate by the hirer and on behalf of the Governing Body.

The named individual applying to hire the premises will be invoiced **in advance** for the cost of the letting.

All hiring fees will be paid into the school's bank account to offset the costs of services, staffing, lighting, heating and housekeeping.

3.1 Termination of Hire Agreement

The Headteacher, or the Chairman of the governing board, has the immediate power to terminate any hire agreement relating to the hire of the school premises.

- The terms and conditions of the hire agreement must be complied with
- The "hirer" shall be the named individual on the hire agreement and this person will; be personally responsible for payment of all fees or other sums due in respect of the letting

4. Status of the Hirer

Lettings will not be made to persons under the age of 18, or to any organisation or group with an unlawful or extremist background.

The hire agreement is personal to the hirer/organisation only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the school to them or of creating any tenancy between the school and the hirer.

5. Indemnity Insurance

Lettings are made on the agreement that the County Council and Governing Body are indemnified by the hirer against any loss, damage, costs and expenses during the use of the school premises by the hirer except where such loss, damage costs and expenses are directly attributable to the negligence of the employees of the County Council or the governing body.

The hirer shall insure with a reputable insurance office approved by the County Council, against such funds as the hirer may become liable to pay as compensation, arising out of bodily injury or illness (fatal or otherwise) to any person and/or costs, fees, expenses, loss or damage caused to property or the premises by any act or neglect of himself, his servants, agents or any person resorting to the premises by reason of the use of the premises by the hirer.

Unless specifically agreed by the Local Authority, the insurance cover shall provide a limit of indemnity of not less than £5,000,000 (five million pounds) in respect of any one incident and to include liability for the premises including liability for fire and explosion risks arising from the hire of the premises.

The hirer shall produce the policy of insurance and receipts for the current premium or premiums upon request by the Headteacher, governing body within seven days of a request.

Neither the school nor the Local Authority shall be responsible for any injury to persons or damage to property arising out of the letting of the premises.

6. Statutory Requirements

The hirer must not do or permit any act, matter or thing which would, or might, constitute an illegal or immoral activity affecting the school premises or which would, or might, vitiate in whole or in part any insurance effected in respect of the premises from time to time.

7. Licenses and Permissions

The hirer shall be responsible for obtaining any public licenses necessary in connection with the booking and should confirm with the school the licenses they hold. Permission or licence must be obtained from the copyright owner, the owner of the sound recordings (if appropriate) and the publisher for any public performance of music, musicals, operas, or stage plays. The borrowing of music scores or plays from a local library does not constitute permission to perform.

Regulated entertainment, public music, singing and dancing can only take place on premises which have a Premise's Licence authorising entertainment, or by applying for a Temporary Event Notice.

The Headteacher must be given at least four weeks' notice of a stage play production. The Hirer must obtain a Temporary Event Notice from the local Licensing Authority. The requirement is for the notice to be received by the Licensing Authority and the Police a minimum of 10 **working** days before the planned event but not including the day of the delivery of the notice or the day of the event.

For more information on licensing please contact the Local Authority:

- Telephone: 01432 261761 (all calls are dealt with by our contact centre staff and are allocated to an officer who will take action on the service request between one to five working days)
- Email: licensing@herefordshire.gov.uk

It is the responsibility of any hirer to ensure that all copyright licences have been obtained to cover planned activities.

To identify the relevant licences, please visit:

Hirers are reminded that it is illegal to photocopy music or plays without the express permission in writing of the copyright holder except in certain circumstances. Any infringement of this is liable to prosecution.

The hirer shall indemnify the Local Authority against all sums of money which the LA may have to pay by reason of an infringement of copyright or performing right occurring during the period of hire covered by this agreement.

Appendix 1:

CHILD PROTECTION ARRANGEMENTS:

A CHECKLIST FOR SCHOOLS AND INDEPENDENT PROVIDERS

Safeguarding Children and Safer Recruitment in Education Guidelines which came into force 1 January 2007 state in para 2.26

“Where the governing body provides services or activities directly under the supervision or management of school staff, the school’s arrangements for child protection apply. Where services or activities are provided separately by another body, the governing body should seek assurance that the body concerned has appropriate policies and procedures in place in regard to safeguarding children and child protection and there are arrangements to liaise with the school on these matters where appropriate”.

In addition paras 4.79 – 4.85 state that:

Written agreements should be in place with any third party provider or group providing services to children and young people, which set out the respective responsibilities of the school and the provider or group. These should include responsibility for areas such as health and safety, recruitment and vetting checks and child protection arrangements. The schools’ insurance provider should be consulted to ensure provision is adequately covered. All staff and providers working on the school site should have training on issues such as emergency evacuation procedures. Schools should only work with providers that can demonstrate that they have effective child protection procedures, training and vetting arrangements for staff, appropriate child/adult ratios and contingency arrangements in place for emergencies or the unexpected.
