

Merry Christmas from Robin Class

We are so pleased to announce that Joe came runner up in the Skills for Life Christmas card competition. His Christmas design will be used as one of the official charity e-cards which will be shared with the partners, supporters and teachers all around the world!

Partnership for Children were so impressed with the quality of all the pictures sent in from Robin Class and it was a hard decision! They chose Joe's design because they liked his interpretation of a classic Christmas scene and his use of colour.
