 Henry told the council that we had £148.67 in our

 funds. We talked about ideas for what to spend our

 school council money on. It was agreed that we would give each

class.

      
the same amount of money each, so they can purchase

       
their own wet play items for when it is wet play. Hayley

      
suggested adult colouring books for sixth form. Cian said he would

       
like some Thomas the Tank Engine colouring books, trains, Lego,

        
bubbles and cars for otter and Hedgehog class. Aisha said

      
we could buy some Disney puzzles for robin class. Jez

       
wanted to buy some games for Woodpecker class. Emma suggested

     
that we could also buy some new books for the birthday

box.

Aisha volunteered herself to talk to Nicki about the wet play boxes.

Next meeting date is 8th of February on Microsoft Teams
