

WESTFIELD WEEKLY NEWS

Term 1 Week: 2

Date: 16th September 2022

New term; new germs!

After our first full week back, it has become apparent that the combination of larger numbers has led to some sharing of germs! This is nothing that can be avoided, but just be alert for any signs of sickness and/or diarrhoea, which has affected pupils and staff across the week. Hopefully the additional day at home on Monday may well be the 'firebreak' we need. Department of health advice remains that return to school must follow 48 hours symptom free.

Hopefully we shall have four days of good health and learning next week following the official closure for the Queen's funeral.
