

Our school nurse, Marie Price, has been in to meet the pupils/students again this week. Over the course of the year, Marie will be running 'Drop In' sessions for the pupils and students to attend if they would like to.

These 'Drop in' sessions are a great opportunity for medical and/or health concerns to be dealt with to support Parents/Carers and also to support the increasing NHS workload.

The class teams will let Parents/Carers know of the drop-in session dates beforehand so please do communicate any concerns you would like taken to the drop-in sessions.

### Year 14 Visits

The year 14 students have been visiting colleges to see what they'd like to do when they leave us. The places they've visited have included, Echo Radio, Hereford and Ludlow College, Houghton Project, Mi Enterprise and National Star. These settings offer a variety of courses and opportunities for the student's next steps.
